PETITION TO THE GOVERNMENT OF CANADA

WHEREAS

- The Government of Canada's gun buyback plan does not focus on the main cause of gun violence: illegal guns being smuggled from the U.S.
- Instead, it places new burdens on law-abiding firearm owners who already follow strict rules.
- The program is expected to cost more than $700 million, with little evidence it will significantly improve public safety.

THEREFORE

- We, the undersigned citizens and permanent residents of Canada, call upon the Government of Canada to scrap their gun buyback program and focus on border security, stopping illegal gun smuggling, and going after criminals, rather than targeting responsible firearm owners.
